Â All Natural,Â EPA Registered and People, Plant and Pet Safe™

Â
ScootÂ® Squirrel Repellent is highly effective in getting rid of unwanted squirrels.

The secret is "microencapsulation", which means that there are millions of tiny particles suspended in a liquid carrier "bringing fast results along with time release action.

Â
For outdoor use only, this long lasting, rain resistant repellent is made with the hottest peppers available, which results in immediate effectiveness after just one application.Â All natural ingredients make ScootÂ® Squirrel **People, Pet, & Plant Safe**, making it ideal for birdfeeder application.Â Â ScootÂ® Squirrel can also be used to keep unwanted cats and dogs!

Available in 32 oz. Ready-to-Use Spray Bottle
